AWARD

Passed on this 28th day of September, 2016

1. As per letter dated 22-2-02 by the Government of India, Ministry of Labour, New Delhi, the reference is received. The reference is made to this Tribunal under Section -10 of I.D.Act, 1947 as per Notification No.L-22012/118/2001-IR(CM-II). The dispute under reference relates to:

“Whether the action of the management of Nandan Mine No.1 of WCL, Kanhan Area, Distt. Chhindwara in terminating Shri Laxman Deharia S/o Chhabbi w.e.f. 27-11-99 is legal and justified? If not, to what relief he is entitled to?”

2. After receiving reference, notices were issued to the parties. Ist party workman submitted statement of claim at Page 2/1 to 2/3. Case of Ist party workman is that he was working as General Mazdoor in 2nd party from 20-4-91. During course of his employment, he met with accident while crossing Rail line. He suffered grievous injury. Secondly he was unable to do his work. He received treatment in Medical College Nagpur and Kanhan Area Hospital. After he recovered of his injuries, he was not taken on work. He was assured that because of injuries suffered by him, light work would be provided to him. On 20-6-95, he was declared fit after medical examination. However he was not taken back on work.

3. Ist party workman further contends that as per oral directions, he was not taken back on work is inductive. He had submitted applications to the Competent Authority and Court but he was not allowed back to work. He was not given any intimation about any enquiry conducted against him. Ist party workman prays that he may be reinstated with backwages since the date he was declared fit on 20-6-95.

4. 2nd party filed Written Statement at Page 6/1 to 6/9 opposing claim of workman. 2nd party contends that Ist party workman was working as General Mazdoor. He was habitual absentee. Workman remained unauthorisely absent without intimation or sanctioned leave. Ample opportunities were given to Ist party to improve but he did not show any interest in service. workman returned to duty according to his wishes. Workman considered concession shown to him as weakness of management and remained unauthorized absent frequently. During 1996 to 1999, attendance of workman was Nil. That chargesheet was issued to workman. Workman put his thumb impression in token of receiving chargesheet. Shri B.B.Mishra was appointed as Enquiry Officer, Shri Chakravorty as Presenting Officer. Enquiry was conducted on various dates, details given in para-5 of the Written Statement. Memo of enquiry were issued to workman. Workman had attended Enquiry Proceeding and requested adjournment.

5. Management's witness Shri Ratanpal was examined in enquiry. Ist party had denied to cross examine him. Ist party workman had stated in his statement that he is working in mine since 24-6-76, he was injured in mine on 20-4-91 having injury on his leg and back. Ist party workman was asked by Doctor for operation but he did not convey any date for operation and hence he was waiting for the same. Workman was not given any treatment neither he was declared fit. Management's Representative cross examined CSE. Accident slip, ordinary paper and discharge slip were produced by the CSE. Enquiry Officer in his report held the charges against workman were proved. Disciplinary Authority examined the report and agreed with the report of Enquiry Officer. The punishment of termination was imposed against him. 2nd party reiterates that 2nd party provides medical facility, LTC, LLTC and several other facilities to its employees. Workman could not be continued in service as he had become dead wood. 2nd party submits that the punishment imposed against workman is proper and legal. The reference be answered in it is favour.

6. As per order dated 29-11-13, enquiry conducted against workman is found legal.

7. Considering pleadings on record, the points which arise for my consideration and determination are as under. My findings are recorded against each of them for the reasons as below:-

(i) Whether the charges alleged against Ist party workman of unauthorized absence are proved from evidence in Enquiry proceedings?	In Affirmative
(ii) Whether the punishment of termination of services imposed on workman is proper and legal?	In Negative
(ii) If not, what relief the workman is entitled to?"	As per final order

REASONS

8. As per order dated 29-11-13, enquiry conducted against workman is found legal. The point whether charges of absence alleged against workman are proved or not needs to be decided from evidence in Enquiry Proceedings. Exhibit M-1 is charge sheet issued to workman pertaining to his unauthorized absence from 1-1-98 till date of issuing chargesheet 17-4-99 misconduct alleged under clause 26(30) of standing orders. As per record of Enquiry Proceeding at Page 12/9, the Ist party workman had denied charges against him. Management Representative narrated that attendance of Ist party during the year 1996 to 1998 was Nil. Management's Representative was not cross-examined. Even from pleadings of Ist party in statement of claim, it is clear that he had suffered injuries. Thereafter he had suffered injuries. Thereafter he is not allowed to work. The statement of management's witness Ratanpal at Page 12/13 shows that he was dealing with the payments of the employees. Workman had not worked for a single day during 1996 to 1997. The document produced by witness is marked Exhibit M-3. The statement of CSE/workman was recorded. He stated that he was working in the mine since 24-6-76. He suffered injury on 20-4-91 in his leg and back. He was receiving treatment in the hospital. He was not declared fit. Evidence in Enquiry Proceedings clearly shows that workman had not given intimation about his absence. Therefore charge of unauthorized absence alleged against workman is proved from evidence in Enquiry Proceedings. For above reasons, I record my finding in Point No.1 in Affirmative.

9. Point No.2- In view of my finding in Point No. charge of unauthorized absence against workman is established, question remains for consideration whether the punishment of termination imposed against workman is legal? Ist party workman in his statement before Enquiry Officer has stated that he was working in the mine from 24-6-76. He suffered accidental injuries on 20-4-91, he was not declared fit. Enquiry Officer did not consider his statement. Disciplinary Authority also did not consider the statement of Ist party workman. The charge alleged against workman pertains to unauthorized absence from 1-1-98 till charge sheet issued to him on 14-4-99 is proved.

10. Learned counsel for Ist party Shri R.C.Shrivastva submits that there was no charge of habitual absence against workman, therefore his previous absence could not be considered as proved misconduct. Document ME-2 produced in Enquiry Proceedings is discharge certificate dated 20-4-91. Workman was declared fit for duty from 31-5-91. Charge pertains to unauthorized absence from 1-1-98. Therefore the absence of Ist party workman prior to the period subject to charge cannot be said unauthorized absence. Exhibit AW-3 is discharge note. Ist party workman was admitted in hospital on 19-8-92 shows on X-ray Examination and line of treatment provided to the Ist party workman. Without considering said document, punishment of dismissal has been imposed against workman could not be justified. Considering the above document, punishment of termination imposed against workman is not legal. The length of service and injuries suffered by workman. Workmen received treatment in hospital. Document Exhibit W-1 workman had complained backache was also not considered. Exhibit W-2 Review report submitted by Medical Officer dated 23-3-92 that workman was reported spinal canal stenosis. As per Exhibit W-3 on review, it was diagnosed as Early Lumber Canal Stenosis. Exhibit W-4 workman was provided treatment SWD – Tablet Brufan. Exhibit W-5 workman was advised treatment of Lumber Canal Stenosis. As per Exhibit W-6, workman was directed to attend hospital on 22-7-95. In cross-examination of workman in para-18, he says on 20-4-91, he suffered injuries and taken to the hospital, he was referred to Medical Officer, he received treatment for 2 years. He suffered injury at his spine. In para-20, he says he was declared unfit in 1992. Considering all these evidence and documents, punishment of termination imposed against workman appears disproportionate.

11. Learned counsel for 2nd party Shri A.K.Shashi emphasized that charges of unauthorized absence are proved, punishment of dismissal is proper. Considering the documents Exhibit W-1 to W-5, punishment of dismissal of workman is disproportionate. As workman had not given intimation about his absence from duty, punishment of withholding two increments with cumulative effect would be appropriate. Accordingly I record my finding in Point No.2.

12. In the result, award is passed as under:-

- (1) The action of the management in terminating the services of workman is not legal.
- (2) Punishment of termination of workman is modified to withholding two increments with cumulative effect.
- (3) 2nd party is directed to reinstate workman with continuity of service with 50 % backwages.

Amount as per above order shall be paid to workman within 30 days from the date of notification of award. In case of default, amount shall carry 9 % interest per annum from the date of award till its realization.

AWARD

Central Government, vide letter No.L-11012/44/2015-IR(CM-I) dated 14.09.2016, referred the following industrial dispute to this Tribunal for adjudication:

Whether termination of services of Shri Amit Kumar, S/o Shri Nand Lal by the management of M/s Sunshine Enterprises (Contractor)/Spicejet Ltd. (Principal employer) without complying with the provisions of Industrial Disputes Act, 1947, is just, fair and legal? If not, what relief the workman concerned is entitled to?

2. In the reference order, the appropriate Government commanded the parties raising the dispute to file statement of claim, complete with relevant documents, list of reliance and witnesses with this Tribunal within 15 days of receipt of the reference order and to forward a copy of such statement of claim to the opposite parties involved in the dispute. Despite directions so given, the claimant union opted not to file their claim statement with the Tribunal.

3. On receipt of the above reference, notice was sent to the claimant union as well as the management. Neither the postal article, referred above, was received back nor was it observed by the Tribunal that postal services remained affected in the period, referred above. Therefore, every presumption lies in favour of the fact that the above notice was served upon the claimant union. Despite service of the notice, claimant union opted to abstain away from the proceedings. No claim statement was filed on their behalf. Thus, it is clear that the workman union is not interested in adjudication of the reference on merits.

4. Since the claimant union has neither put in their appearance nor have they led any evidence so as to prove their cause against the management, as such, this Tribunal is left with no choice, except to pass a 'No Dispute/Claim' award. Let this award be sent to the appropriate Government, as required under Section 17 of the Industrial Disputes Act, 1947, for publication.
